Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Prospectus and the 2019 Third Quarterly Report.

The board of directors (the “**Board**”) of the Company would like to announce that the Board has resolved to change the use of proceeds from the Share Offer.

USE OF PROCEEDS

The actual net proceeds from the Share Offer (the “**Net Proceeds**”), after deducting the underwriting fees and related expenses, amounted to approximately HK\$24.5 million. As disclosed in the section headed “Future Plans and Use of Proceeds” in the Prospectus, the Company intended to use the Net Proceeds for the following purposes: (i) expand the Group’s retail presence; (ii) enhance the Group’s brand recognition; and (iii) general working capital.

As at the date of this announcement, the unutilised Net Proceeds of approximately HK\$23.8 million (“**Unutilised Net Proceeds**”) were deposited into the Group’s bank accounts. After due and careful consideration on the current business environment and development needs of the Group, the Board has resolved to temporarily reallocate part of the Unutilised Net Proceeds in the amount of approximately HK\$16.1 million for investment purpose such as investment in blue-chip stocks, investment-grade bonds and debentures in order to generate higher returns and approximately HK\$6.1 million for additional general working capital and other general corporate matters. Further announcement(s) will be made by the Company in accordance with the GEM Listing Rules as and when required.

REASONS FOR THE CHANGE

The planned use of proceeds from the Share Offer as disclosed in the Prospectus was based on the best estimation made by the Group in relation to the then future market conditions as at the Latest Practicable Date of the Prospectus. In this connection, the Board evaluates the trends of the retail industry with the global and local economic conditions from time to time to determine the most effective and efficient use of the Net Proceeds.

It was stated in the section headed “Futures plans and use of proceeds” of the Prospectus that one of the business strategies and plans of the Group is to open one retail store in Kowloon in September 2019. In view of the local economic and social uncertainties and the recent outbreak of the novel coronavirus in Hong Kong and globally, the Group will postpone the plan to find a suitable flagship retail store until the economic environment in Hong Kong becomes better.

The Board has considered the existing funding needs of the Group and taken the view that the Unutilised Net Proceeds can be better utilized for generating higher returns for the Group. The Board is also of the view that the change in use of Unutilised Net Proceeds of the Group will benefit the operation and business development of the Group and is in the best interest of the Company and the Shareholders as a whole.

The Board will continuously assess the plans for use of the Net Proceeds, and may revise or amend such plans where necessary to respond to the changing market conditions and strive for better business performance of the Group.

Save as disclosed in this announcement, there are no other changes on the use of the Net Proceeds.
